

LAN as standard desktop printer

Small size yet fully featured

Compact

The small footprint of the new CL-E300 makes it a perfect printer for tight spaces but still allows labels up to 4.5 inches wide to be printed on a 5 inch media roll.

Connected

With an on-board Ethernet LAN interface as standard together with USB and Serial interfaces, the CL-E300 is perfect for all applications.

Complete

The CL-E300 has 203 and 300 dpi versions, as well as cutter and peeler options, allowing you to use it in every direct thermal application from low to mid volume printing.

CL-E300

Label, Desktop

Applications

- Courier
- Logistics / Transport
- Pharmacy
- Retail

The CL-E300 is simple to use and intuitive, ensuring users waste no time when changing labels or adjusting settings.

CITIZEN

Featuring on-board LAN, USB and Serial interfaces.
